grown by the track farmers here-

KEEP POULTRY HOUSES CLEAN. Spend a little extra time those rainy weekends and cleen out your coops.
This wet maggy weather makes a dirty crop a whole lox worse. Beds the close quarters and I believe if the keep their coops clean we will have loss truther from their coopsing out in trees and every place but their coops. A good cleaning and whitewashing is reasonable right now and will reduce your losses from insects and diseases.
